Help Prevent the Spread of Head Lice!

Headphones and headsets shown with this icon come in their own heavy-duty, write-on, moisture-resistant, reclosable bag. When the headphone or headset is sealed in this bag, lice are killed within 24–48 hours, without the use of chemicals.

You Asked For It — We Made It — Just For You!

Many of our headphones and headsets are now made with our Dura-Cord™ — the chew, kink and knot-resistant, PVC-jacketed, braided cord — specially-designed to be more durable and reliable than ever!
