

HamiltonBuhl® Silicone Ear Buds with Skoob® Protective Covers

HESKB, HESKB-BLK, HESKB-RED

HamiltonBuhl® Silicone Ear Buds preloaded with SKOOOB tangle-free, protective cord covers are the quick, easy and hip solution to the cord mess everyone has to contend with.

These lightweight, durable spiraled TPU plastic covers protect cords from stretching, kinking and tangling – each time, every time! Eliminate the hassle and frustration of knotted earbuds and charging cords!

The HamiltonBuhl® Silicone Ear Buds are pre-wrapped in a SKOOOB, and stays tangle-free no matter what you do to them - bunch them, wad them, or stuff them.

These exclusive HB SKOOOB Silicone Ear Buds are kink-free and are perfect for music, classroom instruction, or any other listening activities. These always hassle-free and durable ear buds feature a sculpted in-ear design, comfortable silicone ear cushions, and a 4' cord.

HamiltonBuhl® HESKB Series Ear Buds come with blue, black or red protective SKOOOB covers.
