

# Flex-PhonesAF™ 6-Person Wireless Listening Center with Juke24™ Portable, Digital Jukebox with CD Player

## LCFW-JK1 (with 6 Black Flex-PhonesAF)

Go wireless with plug and play simplicity! Perfect for all multimedia, lab and classroom applications, this system includes everything you need in a listening center along with high quality, unrivaled functionality and rugged durability.

Simply connect your Juke24™ Portable, Digital Jukebox – the CD and karaoke function media player – to the wireless transmitter, then, via an FM signal, transmit to a nearly unlimited number of wireless, virtually indestructible Flex-PhonesAF™ headphones.

### This 6-Person Wireless Listening Center Includes:

#### (1) Juke24™ Portable, Digital Jukebox with CD Player (J22RCS1SB):

Simply load up to 48-hours of any music or audio from CD, computer, smartphone, laptop or flash drive, even read and record songs, poems or books to listen to, anytime. Music has a profound effect on helping create neural pathways. Aside from helping increase intellectual and motor abilities in the young, music becomes a trip-wire that sparks memories as we get older - memories of people, events and happy days.

#### (6) Flex-PhonesAF™ Wireless Dual-Channel Headphones:

Flex-PhonesAF™ are the nearly indestructible headphones, made from a single piece of safe, non-toxic, BPA-free, soft and extremely flexible EVA foam. With two built-in, dedicated FM channel receivers, these wireless headphones deliver excellent sound quality without antennas, wires or interference!

Certified for all major USA and international child safety testing standards, Flex-PhonesAF™ are ideal for children ages 3+ and come with a snap-on extension band for a snugger fit.

#### (1) Wireless Transmitter (W900-Multi)

#### (1) Lockable Carrying Case (LCP), lock not included

#### (1) 6-Way Charging Cable
