

AudioAce™ Portable Bluetooth® Boombox and Media Player

MPC-5050/MPC5050BT

The HamiltonBuhl® MPC-5050 is built to deliver on the multiple media needs and demands of today's classrooms. This versatile boombox accommodates both old and new technologies!

Play CDs, cassette tapes, FM radio, and with a built-in Bluetooth, wirelessly stream music through the boombox from your Bluetooth-ready tablet, smart phone, computer or any other Bluetooth-enabled device. You can even playback media from non-Bluetooth devices via AUX IN jack.

With a built-in jackbox and exclusive set of six (6) built-in 3.5 mm headphone jacks located on the back of the box you can easily turn this boombox into a listening center.

Designed and built to withstand the rigors of classroom use while providing high quality sound, the teacher-approved MPC-5050 is an excellent choice classroom and listening center use!

Help Prevent the Spread of Head Lice!

Headphones and headsets shown with this icon come in their own heavy-duty, write-on, moisture-resistant, reclosable bag. When the headphone or headset is sealed in this bag, lice are killed within 24–48 hours, without the use of chemicals.

You Asked For It — We Made It — Just For You!

Many of our headphones and headsets are now made with our Dura-Cord™ — the chew, kink and knot-resistant, PVC-jacketed, braided cord — specially-designed to be more durable and reliable than ever!

HygenX™ Headphones & Headsets Cleaner

The ultimate cleaning solution ideal for all headphones, headsets, earbuds and phones!

Free of any harsh chemicals or fumes and free of any alcohol or ammonia, HygenX™ Headphones & Headsets Cleaner is non-toxic and non-flammable, making it the safer choice for you, your students, your office, your home and the environment.
