

VividPro™ 48MP, 8x Digital Zoom Camera

CAM17SV

VividPro™
Digital Camera

Easily capture stunning images and video with Vivid Pro™, the 48MP, 8x digital zoom camera with a 2.7" preview screen.

This compact, easy-to-use camera includes features such as auto-flash, auto-focus, scene options, anti-shake, and self-timer, all to make capturing great photos and videos easy, while helping your subjects look their best.

Built rugged for daily use, Vivid-Pro™ is easy to use using digital image stabilization technology to help eliminate camera shakes.

Doubling as a great video camera with sound, this will certainly become your go-to choice for capturing both images and videos.
