

High Definition Digital Camcorder with HDMI

HDV5200-1

Help your students discover their voices through the camera viewfinder. Introduce them to the fun of taking pictures and making their own videos, inside or outside the classroom, with the HamiltonBuhl HDV5200-1 High Definition Digital Camcorder!

Designed for the classroom and with rugged construction, this excellent camcorder features a high speed image processor for super smooth, full HD 1080P video recording, a 2.7" LCD display, 4x zoom and built-in LED light.

In addition to recording video, you can take crisp and clear still photos thanks to the 5 megapixels image sensor and make audio recordings alone.

All video recordings are captured in the AVI format and the camera has several outputs to view your pictures and video – USB, HDMI or Composite

With this HamiltonBuhl® High Definition Digital Camcorder with HDMI, you and your students will have unlimited engaging educational opportunities for years to come!
