

4-Station Wireless Listening Center

with Multi-Frequency Transmitter, Wireless Headphone and Rack

HH/W904-MULTI

The HamiltonBuhl HH/W904-MULTI lets you go wireless in your classroom with plug-and-play simplicity.

This is a 4-person wireless listening center perfect for all multimedia, lab and classroom applications.

Each system includes one transmitter, 4 wireless headphones and a sturdy steel headphone rack to easily store your headphones.

The entire system can be switched between 4 different frequencies with easy color-coded switches.

Add additional transmitter and you'll have up to 4 different channels of audio simultaneously!
