

Universal Induction Wireless Speaker for Tablets

IND-DOCK3

The HamiltonBuhl IND-DOCK3 is a portable speaker that doesn't require wires, Wi-Fi, configuration or pairing. Simply place your tablet on the dock and you are done! It is really that simple.

This induction speaker is ideal for sharing music on the go without any wires, connecting, mains plugs or docking.

Dock your tablet on the speaker and by using the latest in induction technology you will receive crystal clear sound emitting from the device. Even if you have a case or cover, you can still enjoy clear music on the go!

So simple to use — for all ages!
