

# Protective Cases for iPads 2 and 3

ISD-PNK

The HamiltonBuhl kid-friendly, protective silicone cases are designed to protect your iPad™ 2 or iPad™ 3. These form-fitting cases provide a precise fit and added protection from slippery young fingers.

Air-filled chambers deliver unique cushioning; the edges of the ISD case are raised above the screen, so if the iPad™ lands screen-down, it provides additional protection from the impact.

These cases are molded to provide thick, handle-like grips on the sides that act like shock-absorbers, in case of a drop. They allow full access to all audio outputs and the specially-designed "volume key" silicone wraps provides added protection and ease-of-use.

Kid-Friendly Silicone Case
