

Portable Folding Bluetooth® Keyboard

RUI-FLD

The HamiltonBuhl Portable Folding Bluetooth® Keyboard lets you enjoy supreme convenience and portable typing anywhere.

The keyboard features a pocket-sized folding design that comes in handy wherever you go, and enables faster, more accurate typing, while giving you more of your tablet screen for viewing.

It pairs with Bluetooth®-enabled devices quickly and easily, ensuring you are always moments away from fast keyboard access.

Ideal for students, business travelers or anyone looking to maximize the utility of their tablet and smartphone devices.
