

Virtual Reality Goggles with Built-In Stereo Headphones

SVRG1

HamiltonBuhl's Spectra VIP™ - the 3D VR goggles with built-in stereo headphones – instantly transforms smartphones into a personal virtual reality system.

Designed for hands-free comfort, with high precision aspheric lenses that adjust to both focal and pupil distance, and high quality surround-sound stereo headphones, Spectra VIP™ delivers a stunning visual and auditory immersive experience.

Lightweight with soft-edged leatherette cushions, adjustable straps, deluxe, noise-isolating ear cups, built-in microphone and Aux-in jack, Spectra VIP™ heightens the 3D and virtual reality experiences to the max.
