

# HamiltonBuhl® Multi-Channeled Wireless Headphone for 900 Series

## W901-MULTI

The HamiltonBuhl® W901-MULTI are wireless multi-channeled headphones delivering superb sound quality without antennas, wires or interference.

Featuring comfort-wear soft leatherette cushions, deluxe over-ear, noise-isolating design and classroom friendly internal NiMH battery, you will get approx. 18-19 hours of listening time between charges with approx. 5 to 5.5 hours of charge time.

Built to receive 4 different dedicated, color-coded frequencies, these headphones can easily switch between 4 different channels of audio!

The HamiltonBuhl® W901-MULTI headphones are the best option for any wireless setup!
