10 Port USB Charging Station

80 Little Falls Road, Fairfield, NJ 07004 • 1-800-631-0868 • www.HamiltonBuhl.com

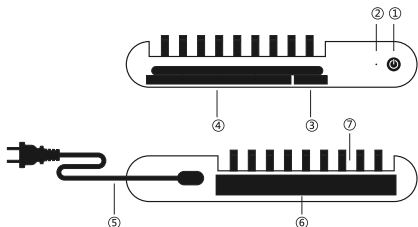

Introduction

This USB Charging station with 10 ports allows you to charge and store up to 10 digital devices simultaneously, like smartphones, tablets, cameras, from a single power outlet. Moreover, the button design saves you the troubles to plug and unplug your power cable after use. It is a perfect charging solution for offices, classrooms, conference rooms, airports, hospitals, hotel lobbies and public places.

How it Works

Instructions

Before charging please remove protective cover so unit can fit in slot.

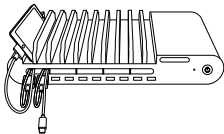

1. Connect power cord to the charging station and wall outlet, then push on the power button; you will see a blue LED light indicating unit is on.
2. Connect your digital devices to charging station with your USB cable; You could put your charger cables into the storage box to keep your desk neat.
 - Fold your USB charger cable; (as shown in figure 1)

①

- Put the cable into the storage box under the cradle; (as shown in figure 2)

②

- 5V/1A ports are compliant with the majority of cell phones such as Apple, Samsung, Blackberry, HTC, Microsoft, Huawei, Nokia, Kindle, Sony Ericsson, Nexus, etc
 - 5V/2.1A ports are compliant with the majority of tablets such as Apple, Samsung, Lenovo, etc
3. The Special cradle could hold your digital devices in order, like cell phones, MP4 and tablets, etc
 4. UL certified power adapter is included, with built-in voltage and current overload protection to keep your devices safe.

Warm Tips:

1. The charging station would generate heat as there is a process of charge and discharge while charging.
2. Please unplug your devices when fully charged to save power and protect your battery.

In the Box

- USB Charging Station 10 Ports x1
- Power Cable x1
- Manual x1

Notes

- Indoor use only, avoid exposure to high temperature, moisture or dampness
- Keep it out of the reach of infants and toddlers
- Untie the power cord when in use
- For your safety, wet hands are not allowed to touch power to avoid shock
- Do not use if it comes into contact with any liquid
- Any modifications or alterations by unprofessional persons are not permitted. This will void manufacture warranty.
